

SATTVA VAID NATURE'S
GLOBAL PVT. LTD.

WELCOME TO A LEGACY OF **GROWTH, DEDICATION & INNOVATION.**

K P MANISH GROUP

Since our modest beginnings in 1959, when **Shri Kwarlal Jain** established the Kwarlal Group, we have transformed into a global enterprise comprising a dynamic network of independent entities, each excelling in its domain while remaining seamlessly connected to deliver integrated solutions.

Originating from Phalodhi in Rajasthan, we are rooted in Jain principle - **Parasparopagraho Jivanam**—"the

function of souls is to help one another." We operate with the guiding principle of **Divine blessings**, emphasizing ethical practices, value our partnerships with **Principals** (Suppliers & Vendors), **Customers** are at the forefront of our efforts, We prioritizing well-being and growth of our **Employees** & importantly **Regulators**, ensuring compliance and the highest standards. We take pride in continuing to partner with our first principal supplier, selling our inaugural product, and maintaining relationships with our first customer and banker.

At Kwarlal Group, we are dedicated to building a sustainable organization focused on longevity, valuing family, spirituality, and meaningful connections. We recognize that true progress is measured not solely by numbers but by the positive impact we have on the people and communities we serve.

We remain anchored in these timeless values, continuing our commitment to purposeful growth—leveraging innovation, nurturing partnerships, and making a meaningful difference to create an enduring legacy for generations to come.
